WINDSOR TOWNSHIP – The tornado sirens at the State Secondary Complex will be tested Wednesday, March 26, at 10 a.m. There is no need to take shelter during testing.

The three sirens can be heard beyond the complex property, which is located in Windsor Township. Area residents do not need to seek shelter during the testing.

For more information, contact Edward Woods III, DMB director of communications, at (517) 373-3806.
